

European Conference on Nutrition and Cancer (Palais des Congrès, Lyon, France, 21-24 juin 2001)

Oléagineux, Corps Gras, Lipides. Volume 8, Numéro 2, 117, Mars - Avril 2001, La filière

ARTICLE

This conference will be organized by the International Agency for Research on Cancer (IARC-WHO, Lyon, France) with the support of the Europe Against Cancer Programme of the European Commission.

The Conference will provide an international forum for leading scientists and public health specialists to present and discuss current knowledge on the role of diet and related metabolic factors in the causation and prevention of cancer with the aim of making recommendations for public health and for research.

Dr Elio Riboli, Chief of the Unit of Nutrition and Cancer at the International Agency for Research on Cancer, is responsible for the scientific organization of the Conference, with the collaboration of the International Scientific Committee:

Franco Berrino (Milan, Italy)
Nicholas E. Day (Cambridge, UK)
Jean Faivre (Dijon, France)
Paul Kleihues (IARC, Lyon)
René Lambert (Lyon, France)
Eiliv Lund (Thromso, Norway)
Anthony B. Miller (Heidelberg, Germany)
John Potter (Seattle, USA)
Rodolfo Saracci (Pisa, Italy)
Arthur Schatzkin (Bethesda, MD, USA)
Dimitrios Trichopoulos (Boston, USA)
Walter Willett (Boston, USA)
